| 2008-2009   | Fall 2008 (and earlier) | Departments:
|             |                  | Biology
|             |                  | Engineering Science & Mechanics
|             |                  | Integrative Arts
|             |                  | Physics
|             |                  | Engineering Design, Technology, & Professional Programs
|             |                  | Miscellaneous Individual Faculty
|             |                  | Colleges:
|             |                  | Communications
|             |                  | Campuses:
|             |                  | World Campus
| Spring 2009 |                  | New Colleges:
|             |                  | Health & Human Development
|             |                  | New Campuses:
|             |                  | DuBois
| Summer 2009 |                  | No new units
|             |                  | Proposed New Colleges:
|             |                  | Agricultural Sciences
|             |                  | Earth & Mineral Sciences
|             |                  | Nursing
|             |                  | Science (remaining)
|             |                  | Proposed New Campuses:
|             |                  | Behrend
|             |                  | Great Valley
|             |                  | Summer 2010
|             |                  | No new units
|             |                  | Proposed New Colleges:
|             |                  | Arts & Architecture
|             |                  | Education
|             |                  | Information Sciences & Technology
|             |                  | Law
|             |                  | Proposed New Campuses:
|             |                  | Abington
|             |                  | Altoona
|             |                  | Beaver
|             |                  | Berks
|             |                  | Brandywine
|             |                  | Fayette
|             |                  | Greater Allegheny
|             |                  | Harrisburg
|             |                  | Hazleton
|             |                  | Lehigh Valley
|             |                  | Mont Alto
|             |                  | New Kensington
|             |                  | Schuylkill
|             |                  | Shenango
|             |                  | Wilkes-Barre
|             |                  | Worthington Scranton
|             |                  | York
|             |                  | Interdisciplinary Units:
|             |                  | Continuing & Distance Education
|             |                  | Foreign Studies
|             |                  | Military Studies (ROTC)
|             |                  | Spring 2011
|             |                  | Proposed New Colleges:
